

Greetings Great Rock Variety music lovers!

Happy New Year and welcome to new members – and new volunteers. What a great start to the year we have had with some new volunteers at 99.7fm, including Louise and Dana, who join our other wonderful administration staff.

Welcome also to our new announcers – who are already making some great (air) waves, including Bernadette, Cheryl, Jy, Peter, Rob and Victoria. A big thank you to Ron Hailes for coordinating the Announcer Training Program.

It is that time again, yes, Christmas seems to have come and gone in a flash and now we are thinking about Easter and promoting our 2022 Easter Food Appeal, which was a very successful event last year. What a wonderful feeling it is to work towards supporting our community.

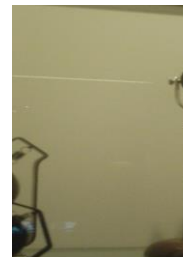

As we did last year, we are running a community campaign for people to **donate non-perishable foods** that will be donated to a local organisation for distribution to those in need of community support. We would encourage all volunteers, members and the public to make a donation so that the less fortunate in our society are able to enjoy a great Easter that many of us take for granted.

As Easter is not too far away, please drop in any non-perishable foods to 99.7fm at 75 Anzac Avenue, Redcliffe between 9am and 2pm, anytime from now on.

Calling for radio memorabilia for 99.7FM's 30th Anniversary

Did you know that 99.7FM first became licensed to broadcast in December 1992?

To celebrate such a momentous occasion, we are working in collaboration with Redcliffe Museum to create an exhibition of memorabilia that will be on display in the Museum for 3-6 months later in the year.

There will be other events to celebrate the anniversary – more about those in forthcoming editions.

In the meantime, if you have any broadcasting/radio-related memorabilia or items of interest that you think would make an interesting contribution to the exhibition, that can be loaned to us please drop them in to 99.7 Bridge FM or contact reception@997fm.com.au.
