

## Greetings Great Rock Variety music lovers!

*"Looks like spring and feels like sunny weather, But it's a cold day in July"

### **THANK YOU for being with us - June Fundraising Campaign**

*From the Board, Management and Volunteers at 997 Bridge FM, we'd just like to give a huge big thanks to everyone who donated to our equipment appeal over the past few weeks. We are absolutely blown away by the generosity of all the donations received and are well on the way to relocating the transmitter and getting some new studio gear, to help us keep up with technology and move forward into the future with you.*

*We set ourselves a massive target of \$165,000 in one month. How did we go? Firstly, the on air campaign raised just over \$60,000. To generate all the funds needed to complete the transformation from old to new, we commissioned several other contingencies to run behind the scenes simultaneously with the "We're With You" on-air campaign. The good news? We are very pleased to announce that we did in fact reach our target with a few dollars left over.*

*Again, a big big thank you for your generosity, we know times are tough for everyone right now. And we'll be doing our best for you - moving forward as your local community radio station. We can't do it without our amazing volunteers and donors.*

*Thank you for helping 99.7 Bridge FM. Together we will grow this community for the next 30 years. 99.7 Bridge FM. We're with you!*
